CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 148 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Eviltion: the battle for worldwide dominance is the first work by new author James Ramsay Paul. It is a science-fiction story set in the future, 2125 AD to be exact. The plot revolves around a war between an evil empire of genetically-engineered genomes as they are known and a group of resistance fighters made up of natural humans who oppose this empire. The resistance fighters give themselves the name Team GS using the initials of their founding leader, ex-government official Gert Stommelen. They flee the genome-controlled USA and set up their headquarters on a remote atoll in the Pacific Ocean which was formerly a U. S. military base. It is housed in an extinct volcano with a retractable cover which they believe will conceal their location from the prying eyes of the genomes. The genomes meanwhile have extended their empire the world over under the guise of Genome Incorporated. This is basically a multi-national company which has grown to usurp every government on the planet. The President of Genome Inc, Vincent Landzaat, who is better known as the...
