THOUGHTLESS MAGIC AND MANIFESTATIONS: THROUGH NON VERBAL PROTOCOLS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.From the world s favorite manifestations author comes Thoughtless Magic and Manifestations, Richard Dotts most advanced and groundbreaking work on manifestations to date. In this latest book, bestselling author and spiritual explorer Richard Dotts not only builds upon the fundamental premise which he has explored in his previous 23 international bestsellers, but also takes the science of manifestations to a whole new level with his latest discovery of how various non-verbal protocols can be used for effective manifestations. Existing readers of Richard Dotts works will know that he has always advocated taking a light touch when it comes to manifesting our desired good. The core of his teachings revolve around the timeless spiritual truth that a light intention, when held purely in our consciousness, is all it takes to create magic and miracles on the outside. In turn, how fast things manifest for us depends on the purity of our intentions and the calmness of our inner states. Those who have trouble manifesting their desires usually find it difficult to purely ask for what they want without the corresponding intrusion of negative thoughts. These counter-intentions are the main reason why manifestations do not happen (or are delayed) for so many people. While traditional techniques can help in the reprogramming of our beliefs, the change process is usually slow and leads to considerable negative resistance. For example, repeating an affirmation about a desired positive outcome often throws up more negative feelings and sets up further counter-intentions instead. In Thoughtless Magic and Manifestations, Richard guides readers through the thoughtless manifestations process for the first time in print, a cutting-edge inner technology which allows one to hold their desired intentions purely...
