Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

In Merrill Farnsworths inspired telling, Jezebel, Cain, Noah, Delilah, Lots wife, and other denizens of Bible history reveal themselves as people with very modern stories to share. Jezebel and her friends are true originals taking readers (and audiences!) on a creative, thought-provoking, insightful ride. Authors Note: **Jezebels Got the Blues** is a collection of stories and paintings created over a nine-month period. One day in September, a face began forming, and I followed the inclination to form a womans face. In time, I saw the face of Jezebel staring out at me, and it occurred to me she looked frightened. Having gone through a period of life that didnt end so well, I felt a certain compassion for Jezebel when she showed up that day in September. I began painting more and more layers of red on her cheeks, thinking that somehow more red would keep her from feeling so blue. As I painted, I began imagining a story about Jezebel, told from the point of view of the rouge on her cheeks a voice that became a strange witness...
