Summary: From all that I have observed throughout the years, whether as President and CEO of companies or as an industry observer, I know you can only ignore the suggestions of Pham's book . at your own peril. And it's a heck of a lot less money than getting this same advice from an expensive team of traditional consultants; it's faster and easy to implement the ideas in this book; and it will help your company to work more collaboratively and become more innovative. --Mitchell Fox, CEO, WGA Global Marketing, Former Group President, Cond Nast Publications As Co-Chairman of the Board of No Limits Media . and as a former Editor of the Harvard Business Review, I had the great pleasure of reading Tiffany Pham's book From Business Strategy to Information Technology Roadmap. The book makes a powerful case for the importance of any organization, profit-driven or nonprofit, to deeply connect its strategic thinking with its IT architecture and structure. Pham and her co-authors eloquently lay out their argument in a clear, step-by- step approach that guides the reader through the basics. --Larry Rothstein,...
