Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

And every creature which is in heaven, and on the earth, and under the earth, and such as are in the sea, and all that are in them, heard I, saying, Blessing, and honour, and glory, and power, be unto him that sitteth upon the throne, and unto the Lamb, for ever and ever. MEN, have generally agreed, to dignify their presumptuous and arrogant disquisitions on the works and ways of God, with the name of wisdom; though the principles upon which they proceed, and the conclusions which they draw from them, are, for the most part, evident proofs of their depravity and folly; Instead of admiring the effects of his wisdom and power in the creation, they have rashly endeavoured to investigate the manner of its production. A variety of hypotheses have been invented, to account for the formation of the world, and to state the laws by which the frame of nature is governed; and these different and inconsistent accounts have been defended, with a magisterial tone of certainty, and an air of demonstration, by their respective authors, as though they had been by-standers and spectators, when God spoke all things into being, and produced order out of confusion, by the word of his power. They have, however, been much more successful in (heing the absurdity of the schemes proposed by others, than in reconciling their own, to the sober dictates of plain,...
