Brand New Book ***** Print on Demand *****.Rascal Rabbit is a bright, lime green character with an environmental social conscience. He seems to always be busy playing tricks on others and stirring up trouble. But in the end, it's all because he has a big heart and wants to help the hungry. He is joined by CAT and Racky Raccoon on a funny, but sometimes serious adventure of understanding where everyone's food comes from and how helping each other out makes us all feel good about life. Rascal Rabbit's escapades teach empathy, touch on environmental issues, such as organic food, and provide children of all ages with an endearing character who wants to help others and save the planet.
