Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Mankind is no longer at the top of the food chain. The Sixth Extinction is an apocalyptic tale about a pandemic that sweeps the globe, decimating the human race, leaving humanity struggling to survive. Within three weeks everything has changed. Betty and her grandson Lennie are just trying to stay alive, and find somewhere safe to hide while they try to make sense of all the madness around them. The Squad is a small group of military personnel who are trying to get back to the safety of their large base - a base that holds a secret.
