DOMINATION BASICS: SECRETS OF THE ALPHA MALE BOOK 1 (PAPERBACK)

Createspace, United States, 2010. Paperback. Book Condition: New. 200 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.This book shows a blatant disregard for social acceptability as it instructs readers toward one simple goal: total domination. It s egotistical, sexist, narcissistic, and completely practical. These are the secrets of the alpha male, and throughout the centuries, they have been the only real path to money, women, and power. If you ve tried everything else, it may be time to use what actually works. Introduction In every generation there are two groups. There are the masses. For them, the world is chaotic and painful. They live most of their lives knowing something is wrong but not knowing how to fix it. Their battle cry is one of weak mediocrity. They are neither satisfied nor rested. Their biggest fear is that they will die nothing more than the sum of their failures and frustrations. There is another group. They are the elite, the Alphas. They understand the universe as an equation. They get it. They are free in all the ways that others are not because they are free of fear. Everything is in abundance for them. They have the friends you want. They have the jobs you want. They have the cars you want parked in front of the houses you wish you owned. They experience the life you want while surrounded by the women you want. All the things you dream about, they know how to get - easier, faster, and smarter than you can. At the end of every day, they sleep with ease, looking forward to the next day s adventures. Which group are you a member of? What if you had a choice? This book will give you that choice. Inside You...
