## ANTI-HEROES: THE COMPLETE COLLECTION (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Get Ready to Root for the Villain. Serena is the new girl in a school that caters to not just Norms, but the sons and daughters of the world's greatest Superheroes. The problem? She's the daughter of the Night Witch, a cardinal member of the League of Extreme Evil. She'd love to join the other super teens and prove she isn't the villain that her mother was, but it isn't long before she falls in with a group of Supervillains that the school calls the Geek Squad, which includes a biochemically created vampire named Nikki, a genetically altered jock named Isaac, and Jinx, the son of Satan himself! She's immediately attracted to Jinx, but Serena has vowed to do what's right. But there are secrets buried deep within Serena's past that threaten to kill her, and even rock the foundation of Earth itself! An evil decay is reaching out from a distant star, and the Supers and Geeks will need to work together in order to defeat it--if they can keep from killing each other. The Supers thought the greatest battle for control of Earth had been fought and won, but a cosmic war is coming, and it isn't long before it's difficult to tell the difference between hero and villain. Anti-Heroes, The Complete Collection includes: New Girl (Book I) Bad Boy (Book II) Half Life (Book III) Power Play (Book IV) Magic Man (Book V) Witch Wars (Book VI) Plus an Introduction by Gregory Hall.
