HarperCollins Publishers, United Kingdom, 2010. Paperback. Book Condition: New. 192 x 126 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Jesuits tells the fascinating, sprawling story of the most provocative and prodigious religious order in Roman Catholic history Over the course of five centuries, members of the Society of Jesus have travelled as missionaries to every corner of the globe, founding haciendas in Mexico, exploring the Mississippi and Amazon rivers and serving Chinese emperors as map-makers, painters and astronomers. These far-flung travels helped to establish their influence on the political and social history of countless countries over hundreds of years. Though facing fresh crises and controversies, today s Jesuits are still active in the worlds of science and politics, education and devotion, playing their part in the complex transformations of the modern Catholic church. Jonathan Wright s fascinating study draws the reader into a gripping tale of myth and counter-myth, of adoration and banishment, of extraordinary achievements and spectacular failures. Contained within the Jesuits rise, fall and rebirth are the...
