Kids Can Press. Hardback. Book Condition: new. BRAND NEW, Eat, Leo! Eat!, Caroline Adderson, Josee Bisailon, Josee Bisailon, Leo wants no part of sitting down with his family to eat Nonna's big, *delizioso* lunch every Sunday. "I'm not hungry," he insists. Not hungry? Hmm. Clever Nonna gets an idea. She'll use a story to lure Leo to her table. And since the pasta in her soup, called *stelline* (little stars), is woven into the story about a boy who journeys to his grandmother's at night, it works. But again on the following Sunday, Leo doesn't want to eat. So Nonna expands her story, this time adding some *chiancaredde* (paving stones), the name of the pasta she's serving that day, to create a path for her character to follow. Now Leo's hooked. So much that he begins to badger Nonna every Sunday to reveal more pasta-based details of the story. And week by week, as Leo's relatives crowd around listening to Nonna and teasing Leo to get him to *mangia* (eat), he slowly comes to realize just how happy he is to have a place at this table. In this heartwarming picture book, award-winning author Caroline Adderson beautifully captures the love and tenderness Leo feels from his grandmother and the rest of his close-knit family through lively, true-to-life dialogue. The playful, detailed artwork by Jos?e Bisailon helps bring all of them to life. This book offers a perfect framework for lessons exploring the heritage, customs and relationships of families. The unique story-within-a-story concept, along with the idea that Nonna's tale is being told cumulatively, could easily launch a storytelling assignment. Additionally, the section on pasta and the list of Italian vocabulary words make a great introduction to foreign cultures through food and language.
