Filesize: 4.23 MB

### ***Reviews***

*A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.*

HOUGHTON MIFFLIN, United States, 2000. Paperback. Book Condition: New. Reprint. 209 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.You ll never watch baseball the same way again. A timeless baseball classic and a must read for any fan worthy of the name, Nine Innings dissects a single baseball game played in June 1982 -- inning by inning, play by play. Daniel Okrent, a seasoned writer and lifelong fan, chose as his subject a Milwaukee BrewersBaltimore Orioles matchup, though it could have been any game, because, as Okrent reveals, the essence of baseball, no matter where or when it s played, has been and will always be the same. In this particular moment of baseball history you will discover myriad aspects of the sport that are crucial to its nature but so often invisible to the fans -- the hidden language of catchers signals, the physiology of pitching, the balance sheet of a club owner, the gait of a player stepping up to the plate. With the purity of heart and unwavering attention to detail that characterize our national pastime, Okrent goes straight to the core of the world s greatest game. You ll never watch baseball the same way again.
