When artist Katie Summers emerged from a four-day coma, she remembered all too vividly the horror of that night - the terrifying dead eyes that had stared back at her in the rear view mirror, causing her to crash her car. But nobody believed her. Even the enigmatic and disturbingly attractive psychiatrist, Dr. Jonathan Shea, implied that she had made the whole thing up. Or dreamed it. Released from the hospital, still weak from her ordeal, Katie took a taxi to her remote farmhouse on Black Lake. Darkness had already fallen. There was only the wind in the trees to greet her.and the cold and empty house. But the house was not quite empty. Something awaited her, upstairs in her bedroom. Something with cold, dead eyes. . .a work so accomplished, so fluid and so suspenseful it is difficult to believe it really is a first novel! -Felix Griffin - Rave Reviews, NY.

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
