Quite often, the road to the creation and sustainability of your business is full of decisions that you aren t necessarily proud of. The modern business world is fully grounded in the world of man and it can make you feel like you are far removed from your Creator. In this step-by-step guide, Santiago Rivera will help you invite God to become the primary partner in your business and recognize your personal and business journey. Rivera, a 20-year veteran executive from the healthcare industry, is an innovative leader who helps professionals with the entrepreneurial spirit push beyond their limits. In Doing Business God s Way, Rivera teaches readers why doing business God s way is so difficult-yet so imperative to success, prosperity, and eternal life. Not only can readers experience the abundance and success they ve always dreamed of, but they will also have proof that the Architect of the Universe believes in them.
