Ambush at Dry Gulch Jake Dalton believes in worthy causes-like opening his Texas ranch to inner city kids for the summer. But there s catch.that involves a woman. Dedicated do-gooder Carolina Lambert can hold her own against any man .Jake included. Except now someone with a nasty grudge who s been waiting for the perfect moment to strike has the beautiful widow in his sights. R.J. Dalton s estranged son is the last man on earth Carolina wants to trust with her life. But the rugged single father is sworn to keep her safe. As passion ignites-and a killer closes in-Carolina and Jake may lose their chance at a love neither expected to find again. Mountain Bodyguard Nannying six children was supposed to be the toughest part of Lexie DeMille s new job. Then their massive Aspen residence was attacked and it was clear someone had a very personal vendetta to settle. A job that required TST Security and its best bodyguard, Mason Steele. His focus should only have been on securing the remote mountain hideaway. But unraveling Lexie s secrets became critical to the case and to his own private agenda. Under a veneer of domesticity was a Marine brat with more survival skills than your average nanny. Something about her had driven her assailant into a violent rage. And that same thing blurred the parameters of Mason s detail-and would test his every survival instinct.
