Cato Institute, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. America s health care troubles stem largely from a great success: Modern medicine can do much more today than in the past. The problem is how to pay for it. In easy to understand prose, MIT-trained economist Arnold Kling explains better ways of financing health care by relying less on government and more on private savings and insurance. A must-read for health care reformers.
