

## TS-11 Iskra

By Krzysztof Janowicz

Kagero Oficyna Wydawnicza. Paperback. Book Condition: new. BRAND NEW, TS-11 Iskra, Krzysztof Janowicz, Includes free decals and masking foil Packed with color photos The TS-11 Iskra is a Polish jet trainer aircraft, used by the air forces of Poland and India. It is notable as the main trainer plane of the Polish Army, the oldest jet plane still in service in Poland - and one of the most reliable. The TS-11 Iskra is an all-metal jet trainer plane, conventional in layout. Its wings are trapezoid-shaped, with the leading edge swept at small angle. The single jet engine has an exhaust under a boom with tail fin, which gives the plane an unusual silhouette. The two crewmen have ejector seats. The aircraft has no radar (apart from the TS-11R), but it can be fitted with photo cameras. This album of detailed photographs is invaluable for the modeler or enthusiast alike. About the Series This is a classic series of highly illustrated books on the best machines of war, with several hundred photographs of each aircraft or vehicle. With close-up views of the key features of each machine, including its variations, markings and modifications, customizing and creating a model has never been easier. Includes extra features such...
