Excerpt: .assistant (manager and clerk) at a scientific meeting. The doctor had told him he could not begin treatment till next week (he stands at attention waiting). The patient holds the doctor in great respect (the dream clothes him in a military costume, and makes him manager of the station). The doctor is, however, a personal friend; the two feelings are present at the same time and the patient doesn't quite know how to act (shall I give a formal military salute or take off my hat in a friendly manner?). The patient naturally expects the doctor to do him enough good to compensate him for what he loses by not going to the other place (I ask for return of my money for the part of the journey not taken). It is characteristic of dreams that the personalities are often changed. The patient...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
