By Gary Drewes

AuthorHouse. Paperback. Book Condition: New. Paperback. 640 pages. Dimensions: 9.0in. x 6.0in. x 1.6in. The onset of this Volume explores the life of an adult immature boy. He faces the emotional feelings of encountering an interpersonal relationship. These loving emotions were suppressed through drug abuse during life. Exposed to such feelings he failed to know how to handle this emotional state. Upon his separation from his first real girl friend he suffered a mental breakdown to the hands of an older friend giving him LSD. His trust in reality, his trust in the family, and his faith in mankind were demented. His hallucinating led him to his loss of personal responsibility. Upon breaking the law he was sent to jail and moved to a psychiatric facility to receive help. His therapy was geared to help a hostile and aggressive person. His mental state was one of chemically induced hallucinations and some psychotic fantasy. The imposed force of treatment was going to help him to deal with his aggression. Through therapy there was hope in guiding the path to a more healthy and productive future. The boy was diagnosed with poor impulse controls. He was character sketched to be a heinous criminal....
