Brand New Book ***** Print on Demand *****.The Cavendish family leaves London for a quieter life at their ancestral home in Derbyshire, but their peace is short-lived. Within the year, James and Charles Cavendish travel north to visit Preston, a town that is developing its port; but father and son are on a collision course with a rebel Jacobite army that is marching south to depose the Protestant King George from the throne of England and supplant him with the Catholic Old Pretender James Stuart. The two armies meet at Preston and for three days bloody street fighting occurs. James and Charles are taken prisoner and in danger of being executed as spies, until fate intervenes and they are finally released. Amidst the city's recovery after the rebellion, Charles daughter, Elizabeth, inherits a fortune from her wealthy aunt, but gains disfavor when she elopes with a man below her station. Loosely based on the author's own ancestry, including his maternal great-great-great-grandmother Elizabeth, *The House of Cavendish - Preston Chamade* is a story of the loves and lives of ordinary people caught up in a brutal rebellion. Brocklehurst brings his characters to life while weaving major historical events through a complex but finely-tuned plotline. About the Author: Malcolm Brocklehurst is a writer, poet, and retired quality control consultant. In his spare time he is employed as a part-time technical author. Brocklehurst's published works include *The Secret History of Christianity* and *The House of Cavendish - Out Roads*. He lives with his wife, Mary, in the United Kingdom.
