Reviews

It is one of the most popular ebooks. Better than ever, though I am quite late in starting to read this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).

Oxford University Press, United Kingdom, 2015. Paperback. Book Condition: New. Dynamo (illustrator). 198 x 129 mm. Language: N/A. Brand New Book. Project X Alien Adventures takes you on an incredible reading journey with this fantastic story featuring the popular Project X characters Max, Cat, Ant and Tiger. Split up during a turbulent rip-jump, the micro-friends land on opposite sides of a world wrecked by tornados. Ant and Tiger become embroiled in the fast and furious world of tornado racing, but they have dark forces to contend with, like the hissing rip-vipers which drain the power from the racing vehicles. Meanwhile, Max and Cat are desperately searching for their friends and have to find a way to reach them on the other side of the world. All four children must reunite and find Vilana before she escapes again. Carefully levelled and highly motivating, this book is ideal for independent reading. This book also contains notes on the inside front and back covers with advice on supporting older children with their reading, questions for readers, and a follow-up activity.
