Failed states do not possess the necessary conditions to have truly sovereign governments that meet the needs of their populations. Colombia garnered a rating of 89 on the 2009 Failed States Index, just below that of Kyrgyzstan. It has experienced conflict for decades and as the author observed, was a paradigm for a failing state in that it was replete with terrorism, kidnapping, murder, corruption, and general lawlessness. But today it is much safer through the imposition of the Rule of Law. Dr. author addresses the rule of law and its impact on Colombia.
