Createspace, United States, 2010. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Like most Christian denominations, the Religious Society of Friends (Quakers) has struggled with the issue of same-sex relationships. In our fallible human way Cleveland Meeting tried to follow Friends practice of discernment to learn what God wanted our meeting to do on this issue at this time. We struggled for some eight years before experiencing the miracle of coming into unity in 1994 with what felt to us to be a third way. Not everyone agreed, and Cleveland Meeting was disowned from the larger body of Ohio Yearly Meeting (Conservative). Rather than providing a narrative this book presents the multiplicity of documents-minutes from monthly, quarterly, and yearly meetings, reports of committees, and some letters-that record the struggle, in the hopes that readers may draw their own conclusions.
