Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Prodigal Satan is my attempt to use scientific terminology, dressing it up in the liturgical clothing of a cosmic drama. None of us can answer all the questions all the time, but hopefully this treatise will evolve into a novel so true as to debunk fiction. Have you ever wondered who Satan is. If God made him Good, how did he become evil. Who are the cast of demons that assist him with his diabolical plans? Want to know more about The Great Pyramid as The Altar of God on Earth or The Great Sphinx as Satan s monument to himself? How about Rahab of the Bible? Not Rahab, the woman who helped Joshua and Caleb, rather the home Planet of satan that God destroyed during the war in Heaven. Rahab s destruction created the asteroid belt between Jupiter and Mars. Want an explanation concerning Dinosaurs anyone? This book begins with the explosion of Creation as you have never heard it told! Then walk through the primeval earthly garden of satan as he struggles to discover the secrets of God constructed in the Great pyramid. Satan s arrogance bolstered by lying demons such as Pythus leads to an unbelievable war in Heaven, resulting in the first destruction of our Universe and our Earth as described in Genesis one!.
