For former NYPD and Delaware State Police detective Paul Chang, retiring to open his own agency with former partner Nelson Rogers should mean leaving behind politics and scapegoating. Instead, corrupt Colonel Byrd of the state police and his lackey Clyde Foley harass Chang at every turn, and their unwanted attention puts his fledgling business on the brink of bankruptcy. With the police on his back and the agency taking sleazy cases he never thought he d have to, Chang erupts under the job s pressures and sees his personal demon, an alter ego he calls the dragon, emerge. Only the training from his martial arts teacher and old friend Shu keeps Chang sane. But his ex-wife Colleen and a journalist are being stalked by someone trying to make it look like Chang is the aggressor, and when the harassment turns deadly, the lives of everyone close to him are in danger. Unable to wait for events to take their course, Chang must unleash the dragon. A scintillating second installment in J. Gregory Smith s Paul Chang mystery series, *Legacy of the Dragon* is a first-rate thriller that explores the sins of our past and the toll they exact in our present.
