Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.NO RED PEN is intended for those writers looking for information on what to consider when forming or joining a writers group and for writers seeking tools for critiquing work in progress. This is not a how to for writers groups. There is no discussion of specific craft techniques. There are other books in the market that discuss finer points of writer group administration and many that deal with craft. Every teacher of writing from high school through graduate school should have a copy of Vicki Hudson s very fine handbook. I found a gem in every chapter. Eloise Klein Healy, Founder and Editor, Arktoi Books, Allowing others to read and critique your work is not something a writer...
