DOWNLOAD

PHI Learning, New Delhi, 2014. Soft cover. Book Condition: New. The book would serve as a standard textbook on the subject of Industrial Marketing, and thus, will be useful for students of management. This book is aimed at providing better conceptual understanding of the industrial marketing, as well as, enhancing the skills required in its practice. The book begins with the review of fundamentals of marketing, concepts in industrial marketing, industrial marketing environment, gathering market intelligence, organisational buying behaviour, and segmentation and positioning in industrial marketing. Then, it goes on to give an insightful analysis of product mix, price mix, marketing channels, marketing control, and project marketing. The text concludes with a discussion on commercial terms, clauses and documents involved in the practice of industrial marketing. The text provides eleven case studies which lend a practical flavour to it, and illustrate the concepts discussed. Page Extent: 304.
