

Practicing Sociology: Selected Fields

By Robert A. Dentler

ABC-CLIO. Paperback. Book Condition: new. BRAND NEW, Practicing Sociology: Selected Fields, Robert A. Dentler, Chronicling the revitalization of the field of applied sociology, Dentler offers an interpretive history of how the field has evolved over the years, how it was transplanted from Europe into the U.S., how and why it declined during the latter years of the 20th century, and its recent rebound. Providing a conceptual and historical framework for the practice of applied sociology, this work profiles a variety of practicing sociologists and offers case studies in the fields of education, organizational development, work and labor, and program evaluation. Students, faculty, and practicing sociologists who wish to better understand the foundations and growth of applied sociology as well as the ways in which they can unify the field around the theoretical resources of symbolic interactionism and its offshoots in participation and client empowerment will find what they need in this accessible and unique text. ^IPracticing Sociology^R will instruct faculty and students in the history, traditions, and future prospects of both applied sociology and sociological practice, the social engineering subfields of the more general field of sociology. Degree programs at both the M.A. and B.S. levels continue to spring up...
