THE WORD EXCHANGE. DAS LETZTE WORT, ENGLISCHE AUSGABE

DOWNLOAD

Book Condition: New. Publisher/Verlag: Random House US | Anana's search for her father and tenuous alliance with an underground resistance of former wordsmiths is complicated by the spread of word flu, a virus that causes people to gradually lose their vocabularies until they need their Memes to remember even ordinary words like "lever" and "rotten". | Books, libraries, and newspapers have at last become things of the past. Now handheld Memes allow for constant communication and entertainment. They can even anticipate our needs, dialing the doctor before we know we're sick, or prompting us with words we can't recall. Yet a few dedicated wordsmiths are still laboring on the final print edition of the North American Dictionary of the English Language . But one evening, right before it's released, Anana Johnson finds that the chief editor - her father - has vanished. In alternating points of view, Anana and her bookish colleague Bart follow their only clue, the word ALICE , down the proverbial rabbit hole, into subterranean passages, the stacks of the Mercantile Library, and secret meetings of an anti-Meme underground resistance, racing closer to the truth about Anana's father's disappearance, and discovering a frightening connection to the growing "word flu" pandemic. | Format: Paperback | Language/Sprache: english | 290 gr | 203x131x20 mm | 384 pp.
