THE CONFESSIONS OF ST. PATRICK (PAPERBACK)

Createspace Independent Pub, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Patrick was the son of a Romano-British Christian who lived somewhere in the north of what is now England. At sixteen years old he, and many other of his people, were taken captive into Ireland. What follows is his own story of his realisation of God s purpose for his life. In it he gives interesting and valuable insights into the workings of his personal faith in Jesus Christ, as well as into life in the fifth century. It also may be that this document was written partly for the purpose of responding to charges made against him by unspecified persons, in his later years. The date of Patrick s birth is not known, but it has been placed in the early years of the fifth century. His quot;saint s dayquot; is celebrated on March 17th (most lustily and inappropriately in America), but it is doubtful that this is the actual date of his birth. There are two extant writings, both believed to be genuine, which are attributed to Patrick; the quot;Confession,quot; and a letter to the British king, Coroticus. Patrick has been adopted, over the centuries, by Irish Catholics as one of their own, but the language of his quot;Confessionquot; is free from any reference to Rome, the Pope, the Virgin Mary, church hierarchies or any of the other trappings of Roman Catholicism. Instead, it is a simple statement more consistent with a quot;New Testament-style,quot; apostolic and evangelical Christianity.
